

More free time for employees

Paid leave

From now on, the 1st paragraph of Article L. 233-4 regarding leave is formulated as follows:
The leave period is at least 26 working days a year, regardless of the age of the employee.

Attention

Employees who already benefit from 26 days or more through their employment contract or collective agreement will not necessarily have an extra day off. It depends on the wording of the employment contract or the collective agreement.
In case of doubt, please contact our Information, Advice and Assistance Service.

Public Holidays

As for public holidays, one day is added to Article L. 232-2, namely May 9, Europe Day.
This day is due to every employee.
