OGBL Student Fund

For the academic year 2026-2027 the National Committee of the OGBL has made available a credit of 80,000€ for scholarships to support the higher education of OGBL members' children.

Rules

1. Purpose of the OGBL Student Fund

The purpose of the OGBL Student Fund is to subsidize -through the granting of an annual scholarship - the higher education of the children of OGBL members. The National Committee of the OGBL sets annually the amount of the granted scholarship.

2.Eligibility criteria

- **The members:**

i. A member of the OGBL, whose children are in higher education, can obtain a scholarship, if s/he is a member of the OGBL without interruption:
   - either since joining the union, if his/her age at the time of joining was less than 25 years old;
   - or for at least 20 years, if s/he was at least 25 years old at the time of joining.

ii. In the event of the member's death, account will be taken of the years that have elapsed since his/her death, provided that the surviving spouse has continued membership within three months.

iii. In addition, the member must have paid within the 5 years preceding the demand the membership fee provided for by the statutes of the OGBL.

iv. If a member has previously been a member of another union (attach certificate from the previous union), the years during which he was a member will be taken into account. However, this member must have been a member of the OGBL for at least five years without interruption.

- **Children:**

For the Student Fund are considered as children:

v. Legitimate children.

vi. Children recognized by the civil registry

vii. Children placed from a young age under the guardianship of an OGBL member

viii. The children of a first relationship of the spouse of an OGBL member, as long as they live under his or her roof and are largely dependent on him or her.

- **Studies:**

ix. The program and the course of study must be officially part of the higher education system of the country in which the studies take place.

x. The diploma awarded on completion of the course of study must be issued by or on behalf of a State authority competent in the field of higher education.

xi. No scholarships will be awarded for repeated years/semesters.

3. Application form

The application form is published in the AKTUELL at least 3 months before the deadline for submission.

4. Deadlines

The deadline for the submission will be specified on the application form. No derogation will be granted, the postmark being proof.

5. Appeal

In the event of refusal of a request, the requesting member may refer the matter to the OGBL Supervisory Commission, which will take the final decision.

A certificate of enrolment from the institution of higher education shall be attached to the application
